-------------------	----------	----------	--------------

7. The school works in partnership with parents

Strongly agree 97	Agree 63	Disagree 1	Don't know 1
-------------------	----------	------------	--------------

Some of the things you told us:

Too many positive, supportive comments to include here; thank you!

Questions you asked:

What is being built in the garden? Is it an outdoor classroom? A: Yes, we were successful in our bid to the Big Lottery and received £10,000 to develop the quad near to the library. The Junior School now has an outdoor classroom with all-weather white boards, weather station, herb garden, allotment, sun dial, wild area, fruit trees, potting shed, flower beds and a sink.

Children need to work more on their handwriting. A: Not a question but we agree and our children practise their handwriting weekly. We will happily provide work sheets to parents so they can support this skill at home.

I would like more homework. A: (Pupils would not!) We believe that our children work very hard in school and are grateful to those parents who support their children with the homework that is sent home weekly. We suggest home can encourage joining a library, trips out and activities such as swimming, joining organised groups like the Boys/Girls Brigade, Brownies etc which support children's physical and social development.

School trips should be fun. A: we always try to balance fun with educational content as that is the best way to learn. We have asked the children what they would like to do by the time they leave our school in Year 6 and they told us; we call this our Children's Curriculum and it can be viewed on our website www.mossparkjun.net
